

Freewill Offerings

Although we are not meeting for Sunday worship due to the COVID-19 crisis, the work of the church continues. We are aware that many of you will want to continue your regular giving, and we need to continue to provide ministry and support to those in our community whom we love and serve, especially in this difficult time.

To those of you who continue to give by Standing Order, we thank you for continued support.

If you currently use Freewill Offering Envelopes or give through the open plate, and you're able to donate through standing order or a single online payment if you have access to Internet Banking, then this would be a great encouragement and blessing to the work of our church. Otherwise we would encourage you to set aside your freewill offering envelopes for when we open again which we hope will be soon.

Bank details for Standing Orders and online banking can be requested by [contacting us](#):

Many thanks for your continued support and generosity.
